

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 1 ~ Ser.-2

p-ISSN : 2320-9356

Contents :

Image Captioning Based on Deep Neural Networks	01-11
Graph Auto-Encoders with Edge Reweighting	12-15
Responsive Design in Web Development with Security Using Optimization Algorithms	16-22
Study of How Transit Oriented Development involves urban growth and mass transit corridor of any City	23-26
Creating A Social Space: A Case Study of Bapunagar Slum Rehabilitation in Surat City of Western India	27-31
Site Selection for Solar Thermal Power Plant in Rajasthan	32-35
Improvement In Process Industries By Using Work Study Methods	36-44
Dual Axis Solar Tracker	45-47
Poisson Inverted Lomax Distribution: Properties and Applications	48-57
Detecting Communities in Social Network Using Spectral Clustering	58-66
Status of women in The Constitution of India, International law and Muslim Law:- A modern perspective	67-72
A Review Literature about Urban sprawl: causes, impact and method of controlling	73-78
Ultrasound assisted synthesis of 2, 4, 5-triarylimidazoles catalyzed by Baker's yeast	79-84
Impact of Online Classes among Students During Covid 19	85-88
War and Peace in the Law of Islam	89-90
