

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 3

p-ISSN : 2320-9356

Contents :

Land Use and Land Control of Gudur Area, Andhra Pradesh	01-03
Fetomaternal Outcome In Case Of Hyperemesis Gravidarum- A Prospective Cohort Study	04-07
Mellin Transform of Mittag-Leffler Density and its Relationship with Some Special Functions	08-13
Web Based Academic Support in Teaching Mathematics During Pandemic	14-19
Effect of Nano BaTiO ₃ Particles on Properties of Semi-IPN System Prepared from Polyetherimide and biscitraconimide	20-29
A Study of Structural Concrete Using Pumice and Sintered fly ash Aggregates	30-35
A Study on Consumer Favorites towards Household Electronic Products in Thoothukudi District	36-37
Optimization of Fair Resource Allocation in Mobile Adhoc Networks	38-43
Analytical Study on Geopolymer Concrete Beam Made With Different Molarity	44-47
Time traveler Machine is 100% possible	48-54
Privacy Preserving and Data Integrity in Social Networking	55-62
Energy Savings in Renewable Integrated Distribution Network and Impact of Storage Devices	63-71
Act of State and Market in Housing Delivery for Different Group of Urban Population in India	72-76
Evolution of Town Planning Schemes In India: An Innovative Planning Tool	77-82
Study of transportation planning in Bangalore and performance of services in BMTC	83-86
