

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 10 ~ Issue : 4 ~ Ser. 2

p-ISSN : 2320-9356

Contents :

Reminder of case trials ignored by doctors in clinics and hospitals while treating patients and probable new trials which needs focus and research: Part II	01-13
Face and Object Detection Using Open CV	14-20
Physico-Chemical and Biological Status of Hussain Sagar Lake in Hyderabad City, Telangana State, India	21-25
A Two-Phase Authentication Mechanism for E-voting in India	26-31
Food Waste Management App: Muskaan	32-39
Experimental Investigation for Gauge Factor of Carbon Nanotube Strain Sensor	40-45
Experimental Investigation on Effect of Nanoparticle for Permeability Change in Enhanced Oil Recovery	46-52
Effect of Plan Irregularity in RC Framed Buildings	53-59
True Color Reconstruction of Underwater Object Using Macbeth Chart	60-65
Solvatochromism and Preferential Solvation of Methyl Orange and Methylene Blue within Water + Ethanol Mixture	66-71
Growth of Visual Arts and Artists in India	72-75
Red shift by Glass prism, glass slab and other household liquids when laser light is passed through them.	76-78
Experimental Setup of Geothermal Cooling /Heating with Earth Tube Heat Exchanger	79-85
