

# International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 10 ~ Issue : 4 ~ Ser. 3

p-ISSN : 2320-9356

## Contents :

Ionizing radiation measurements during 2020 in São José dos Campos Brazil region	01-06
A Comparative Study of Framed Structure, Frame Tube and Tube In Tube Structures Subjected To Lateral Load Under Zone Iii And Zone V	07-13
Optimizing oil production by regulating the factors involved by using mathematical optimization technique and programming languages	14-26
Automatic Braking System	27-29
Physico-Chemical and Biological Status of Hussain Sagar Lake in Hyderabad City, Telangana State, India	30-34
Image Colorizer- an application of Computer Vision	35-38
Multi-Stage Residual Hiding for Image-Into-Audio Steganography	39-48
Public Perspective on the Increase of Fuel Rate In Recent Time And Its Impact Towards The Common People	49-60
