

# International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 10 ~ Issue : 5 ~ Ser. 7

p-ISSN : 2320-9356

## Contents :

A Critical Study on Need of Basic Legal Knowledge as a Part of Education to Students in Higher Secondary School	01-06
Structural Evaluation of an Existing RC Bridge Using Non-Destructive Tests- A Review	07-12
Performance Analysis of Three-Phase PMSM using Advanced Controlled Techniques	13-22
A Study On Increasing Crime Rate In Society Among Youth With Special Reference To Unemployment And Poverty In Tamilnadu	23-32
Study of diversity of Macroinvertebrates from wetlands of Bhandup Pumping Station, Mumbai	33-37
Use Of Plastic Waste Bottles In Civil Construction Anddecorativematerial (Compoundwall)-Areview	38-43
A Review on Soil Structure Interaction of FRP RCC Pile under Cyclic Load	44-47
The Role of Antioxidants in Biological System	48-51
Review Paper on Comparative Analysis between Diagrid and Normal Frame Structure with Contrasting Parameters	52-56
Review of methods for determining the minimum weight of the initial ore sample	57-62
Face Detection Using Open CV	63-72
Online Web Based Doctor Recommendation Platform Using Apriori Algorithm	73-76
A study on Teachers Technostress	77-79
Multimedia Assistance for paralyzed patients using Eye blink Detection	80-84
