

# *Certificate of Publication*

This is to confirm that

**Prof. Praful Randive**

Published following article

**Design and Fabrication of Regenerative Braking System**

Volume 10, Issue 5, pp: 134-138

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**

# *Certificate of Publication*

This is to confirm that

**Akshay Bondre**

Published following article

**Design and Fabrication of Regenerative Braking System**

Volume 10, Issue 5, pp: 134-138

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**

# *Certificate of Publication*

This is to confirm that

**Mayur Pardhi**

Published following article

**Design and Fabrication of Regenerative Braking System**

Volume 10, Issue 5, pp: 134-138

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**

# *Certificate of Publication*

This is to confirm that

**Vaibhav Rotake**

Published following article

**Design and Fabrication of Regenerative Braking System**

Volume 10, Issue 5, pp: 134-138

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**

# *Certificate of Publication*

This is to confirm that

**Chetan Belkhede**

Published following article

**Design and Fabrication of Regenerative Braking System**

Volume 10, Issue 5, pp: 134-138

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**

# *Certificate of Publication*

This is to confirm that

**Pavan Wanare**

Published following article

**Design and Fabrication of Regenerative Braking System**

Volume 10, Issue 5, pp: 134-138

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**
