This is to confirm that

**Vi Hoang**

Published following article

The Effect Of Machining Parameters On Surface Roughness In The  
Fully Interrupted Hard Turning Process With Cbn Insert By  
Taguchi Methods

Volume 10, Issue 6, pp: 846-851

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

International Journal of Research in Engineering and  
Science (IJRES)

**ISSN: 2320-9364** IJRES is Peer Reviewed Refereed.

Editor-In-Chief
