

# International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 10 ~ Issue : 6 ~ Ser. 10

p-ISSN : 2320-9356

## Contents :

Utilization, Unmet Need and Challenges to Control of Skin Aging By Herbal Cosmetics: A Comprehensive Review	865-873
Big Data Analytics and Mining for Effective Visualization and Trends Forecasting Of Crime Data	874-879
Assessment of the Effect of Harmonics from Renewable Energy Sources on the 110 kV Regional Grid	880-888
Investigation of rapeseed oil -based nanofluid on hard machining performance under minimum quantity lubrication environment	889-892
Power quality improvement in grid connected PV system by using UPQC with Fuzzy Logic Controller	893-900
The Endemic and Causes of Cerebral Palsy	901-908
A Study on public opinion on online classes in rural villages	909-916
Static and Dynamic Analysis of Multy- Story Building	917-925
Gallbladder region Extraction from Abdominal CT Image using segmentation techniques	926-931
Electronic Voting Machine with Fingerprint and Facial Recognition	932-936
Agriculture Based Soil Nutrient Analyzer and Water Resource Prediction System Using Machine Learning And lot	937-942
Effect of School Environment on Academic Achievement of Secondary School students	943-949
A Study on Greenhouse Effects and Its Impact on Environment	950-960
Efficiency of Neem Leaf Powder and Banana Pith Powder as a Natural Coagulant	961-967
