p-ISSN : 2320-9356

Contents :

Melanoma Disease Detection Using Deep Learning	386-392
Effect of Some Processing Factors Affecting the Yield and Quality of Oil Expression from Pumpkin Seeds	393-399
Drying Methods Impact on Physiochemical Properties of Sliced Ginger (Zingiberofficinale)	400-407
Gas Leakage Alarm	408-413
Driver Drowsiness Detection	414-416
Treatment of VIJAYAPUR City Domestic Wastewater by Moving Bed Sequential Batch Reactor	417-422
Analysis and Comparative Study of Steel Bracing in Reinforced Concrete Building Under Seismic and Wind Load	423-429
Analysis of G+4 building structure for Seismic Retrofitting using Cross Bracing	430-435
Speech Emotion Recognition Using Deep Learning Technique	436-440
A System for Fake News Detection for Social Media Contents	441-445
Crowd Management System Using Deep Learning	446-449
Influence of Wind Loads on Tall Reinforced Concrete Structures in Different Terrains and Zones	450-461
Regression Analysis of Deposits Pattern in Fidelity Bank Plc, Lagos	462-468
Wearable Data Acquisition System for Measurement of Assessment of Repetitive Tasks Rating Of Vehicles	469-475
Hybrid Converter for DC Grid	476-483
The Nextgen Bot	484-496
