

# *Certificate of Publication*

This is to confirm that

**Onuzulike, V. C.**

Published following article

Coverage Hole Detection in Embedded Wireless Sensor Network  
Using ACO Based Technique: Comparative Architecture

Volume 11, Issue 2, pp: 239-246

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**
