

# *Certificate of Publication*

This is to confirm that

**Dr.M.Subramanian**

Published following article

Structural Analysis of FPV Drones for Enhanced Stability and  
Performance through Design Thinking Approach: A Computational  
Study

Volume 11, Issue 5, pp: 259-268

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**Impact Factor : 7.52**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**

# *Certificate of Publication*

This is to confirm that

**K.Harish Babu**

Published following article

Structural Analysis of FPV Drones for Enhanced Stability and  
Performance through Design Thinking Approach: A Computational  
Study

Volume 11, Issue 5, pp: 259-268

[www.ijres.org](http://www.ijres.org)
