This is to confirm that

**Neha K. Baku**

Published following article

Synthesis and Characterization of Liquid Crystalline  
Property of a New Thermotropic Liquid Crystalline  
Molecules with Terminal End Group and DSC Study

Volume 11, Issue 7, pp: 56-63

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**Impact Factor : 7.52**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**
