

# *Certificate of Publication*

This is to confirm that

**Oluwadare, Samuel Adebayo**

Published following article

The Design of Ensemble Deep Learning Model for the Prediction  
of Lassa Fever Outbreak using Multiple Data Sources

Volume 12, Issue 3, pp: 365-373

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**Impact Factor : 7.52**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**

# *Certificate of Publication*

This is to confirm that

**Adegun, Iyanu Pelumi**

Published following article

The Design of Ensemble Deep Learning Model for the Prediction  
of Lassa Fever Outbreak using Multiple Data Sources

Volume 12, Issue 3, pp: 365-373

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**Impact Factor : 7.52**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364 IJRES is Peer Reviewed Refereed.**

**Editor-In-Chief**

# *Certificate of Publication*

This is to confirm that  
**Orogun, Okunola Adebola**  
Published following article

The Design of Ensemble Deep Learning Model for the Prediction  
of Lassa Fever Outbreak using Multiple Data Sources

Volume 12, Issue 3, pp: 365-373

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**Impact Factor : 7.52**
