

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 13 ~ Issue : 02

p-ISSN : 2320-9356

Contents :

Psychological Trauma of Widows in Dantanko Community of Bassa Lga, Plateau State, Nigeria	01-08
Health Implications of Fuel Subsidy Removal among Kufang Community in Jos South Local Government Area of Plateau State Nigeria	09-16
Energy-Aware Framework for Optimized Mode Selection in Device-to-Device Communication System	17-27
Child Well-being in the Context of Maternal Employment : A Study of Gender Attitudes, Behavioural Factors, and Domestic Engagement in Mysuru Taluk, Karnataka	28-32
Community Participation in Village Fund Management in Babalonge Village Lemito Sub-district Pohnpei Regency	33-39
The alternative quantization of local fields and open cosmological questions	40-46
Advanced polymeric materials-based on waterborne polyurethane-acrylic hybrids	47-56
An investigation into the morphology, thermal properties and photodegradation of cassava residue-fatty acid complex	57-63
Compressive Strength of Sandcrete Interlocking Stone Using Dates Seed (Ds) As Partial Replacement for Quarry Dust	64-67
Design and Production of a Counter on Turnstile for Library Use	68-79
The Role of Childcare in Shaping Women's Employment: Insights from Formal and Informal Sectors in Mysuru Taluk of Karnataka	80-84
Development of an Innovative Solar Collector for Drying of Perishable Food Items in Rural Communities	85-92
From Tradition to Innovation: The Evolution of Education through Artificial Intelligence	93-97
Performance Study of Self - Compacting Concrete (SCC) as a Rigid Pavement	98-106
Magnetohydrodynamic Flow Characteristics in a Porous Rotating Disk under Mixed Convection, Buoyancy, and Thermal Radiation Effects	107-116
Research progress and application of plant essential oil inclusion complexes	117-123
