

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 7 ~ Ser.-6

p-ISSN : 2320-9356

Contents :

"Inter Basin Water Transfer (IBWT)"-A Case Study of Krishna-Bhima Stabilization	01-04
Gesture Controlled Wireless Robotic Arm	05-12
Analysis of Cost Effectiveness in Precast GFRG Over Conventional Method	13-23
Potential of soil-resident bacterial species in counteracting arsenic toxicity	24-29
Effect of Potassium Chloride Stress on Seed Germination And Growth Of Capsicum Annuum L	30-34
Numerical Investigation on Progressive collapse Performance Analysis of Precast Reinforced Concrete Structures Subjected to Column Removal	35-43
A Project Report On Heat Treatment of Low Carbon Steel	44-61
Smart Glasses for Visually Disabled Person	62-68
