p-ISSN : 2320-9356

Contents :

Seismic Analysis and Progressive Collapse of RCC Building Due To Seismic Load	01-15
Real-Time Object Detection and Tracking	16-19
Novel Coronavirus Disease (COVID-19)	20-22
High Performance Liquid Chromatography (HPLC)	23-28
Seismic Analysis and Retrofitting of an Existing Structure	29-39
Golden Sweet Potato as Natural Immunity Booster: A review	40-45
Two Stage Power Conversion of Photovoltaic-Ultra capacitor Configuration for efficient Operation	46-52
Drug Solubility	53-59
Determination of Root Causes of Accidents on Construction Sites (Non Human Error)	60-64
A Review Article on Pharmacological Activities, And Therapeutic Potential of -"Hibiscus Rosa Sinensis"	65-70
Importance of Sports in Education and life	71-73
An Satisfied Data Mining With Linked Data: In Using Clustering The Data Set It Was Sophisticated Data Using Ontology In Web Personalization	74-78
Performance Evaluation of 21-level Reduced Switch Multi-level Inverter with Phase Disposition and Phase Shift PWM Techniques	79-87
Application of GIS for Study of Geotechnical Properties of Baramati Area, India	88-94
A Review on Effects and working of Fluidized Bed Cooling Tower	85-99
