

# International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 9

p-ISSN : 2320-9356

## Contents :

- |   |       |
|---|-------|
| Development of textiles to combat cold weather in mountain terrains   | 01-17 |
| An innovative concept in the effective utilization of sea water for dyeing of textile materials   | 18-21 |
| Perceived Occupational Stress and Stress Causing Factors among State Bank of India Bank Employees in Rural Branches, Jhunjhunu, Rajasthan     | 22-31 |
| Detection of Parkinson Disease Using Machine Learning Algorithm   | 32-36 |
| Opportunities of Machine Learning on Telecom Sector: A Case Study at BSNL   | 37-44 |
| Fault Tolerant Data Archiving Health System With Distributed Privacy Control  | 45-46 |
| Using in vitro cholestyramine as an instead of activated charcoal for the treatment of drug poisoning   | 47-54 |
| Implementation of Social Distancing Detection and Alerting System Using Artificial Intelligence   | 55-60 |
| Prognostic Factors for Evolution of Non Alcoholic Fatty Liver Disease Patients Utilizing Poisson Regression and Continuous Time Markov Chains | 61-71 |
| Impact of Dairy co-operative on production and marketing of milk in Muzaffarnagar District of Western Uttar Pradesh                           | 72-73 |
